**Educational Webinar | Stop Catalytic Converter Theft**

Get the playbook for defeating catalytic converter theft in your city.

On Thursday, July 29th, Sgt. Kevin Cox led an educational webinar on defeating catalytic converter theft with Flock Safety. During his tenure with the Grand Prairie Police Department, he and his colleagues wrote the playbook for stifling catalytic converter theft with ALPR and used the evidence and data collected in the process to enact meaningful policy change.

**How Redlands Police Approaches Data-Driven Law Enforcement**

Redlands PD has a long history of innovation — this mid-sized agency was the first in the country to equip its officers with smartphones in the early 2000s. Chief Chris Catren and Assistant Chief Travis Martinez share how they use GPS Trackers, LPR cameras, and data to solve crime in an objective, ethical manner.
